JAYS CARE FOUNDATION believes in a level playing field where all Canadian children and youth have the opportunity to thrive and succeed. One way we are working to achieve this goal is through PLAY BALL!

WHAT IS PLAY BALL!?  
PLAY BALL! is Jays Care's equipment distribution program. Aligned with a major initiative launched last season by Major League Baseball, it is designed to increase access to the equipment and tools required to lead great baseball programs for children and youth facing multiple barriers.

WHY PLAY BALL!?  
At Jays Care we understand that there are many amazing youth workers and volunteers all across the country who organize and lead great programs for marginalized kids. We also know that some of them dream of integrating baseball into their programming but are unable to afford equipment to make that dream a reality. PLAY BALL! is the key to fulfilling that dream.
